APP + DATA

ONLY \$25 PER MONTH-
PER DEVICE

PoC devices require connection to a cellular network (3G/4G/LTE) through SIM cards, as well as app support in order to operate. We offer coverage on an easy month-to-month billing cycle, providing you with 500MB of TELUS' data, as well as access to the Inrico App to empower your communications.

OR

**APP SUBSCRIPTION
(TOUCHSCREEN DEVICES)**

ONLY \$10 PER MONTH-
PER DEVICE

You also have the option to subscribe for the app alone. Works for Android/iOS devices with data (cellular/Wi-Fi access).

OR

**APP SUBSCRIPTION
(WINDOWS COMPUTERS)**

ONLY \$20 PER MONTH-
PER DEVICE

or subscribe to Inrico's professional communications software for managing Push-to-Talk over Cellular (PoC) devices.
